UCLA's Four

All-American Candidates

What they say about them:

PAUL CAMERON, Tailback—Grantland Rice, LOOK Magazine, " . . . Paul Cameron, whom most accredited football men consider the finest, most inspirational player in the country. In a nearly matchless performance (last year), Cameron destroyed California. Cameron is the UCLA offense."
Vincent X. Flaherty, Los Angeles Examiner, "The tall and self-effacing Mr. Cameron had the Stanford defense tightening and loosening like an accordion."
Jack Geyer, Los Angeles Times, "Cameron is the 'C' in UCLA. Cameron works on the UCLA offense like a blood transfusion."
Bob Mathias, Stanford fullback, "You've got to give Cameron most of the credit. He's the best passer and the best runner we've seen. It takes only one guy to break up a game and he did it."
Red Sanders, UCLA head football coach, "The best left halfback in these United States."

CHUCK DOUD, Right Tackle—Dick Hyland, Los Angeles Times, "One of the hardest working, best conditioned, most sincere athletes I have ever known. His sincerity, in fact, is only matched by his outstanding ability."
Jack Tobin, Los Angeles Mirror, "He's definitely All-America caliber; easily the Coast's best, if not the nation's."
Hamp Pool, Los Angeles Rams head coach, "The Los Angeles Rams feel extremely fortunate to acquire the rights to Doud as we felt he was one of the nation's finest tackles last fall. With his tremendous physical capabilities, he should be a top candidate for All-American in 1953."

JIM SALSBURY, Right Guard—Morton Moss, Los Angeles Examiner, "What he did to California last year was murder."
Lynn "Pappy" Waldorf, California head football coach, "He's one of the best play-stoppers I've ever seen."

BILL STITS, Wingback—Harry Culver, Los Angeles Herald-Express, "That Stits is enough to break any opponent's heart. He can play anywhere in an offensive or defensive backfield, and his interception technique is great."
Jack Tobin, Los Angeles Mirror, "His record against passes speaks for itself."
George Dougherty, Los Angeles Daily News, "As sound a back as there is anywhere. He's always in the play."

The 1953 Bruins

RETURNING VETERANS—A total of 22 returning lettermen: 6 tackles, 4 ends, 4 guards, 2 wingbacks, 1 center, 1 tailback, 1 fullback, 1 quarterback, one linebacker and 1 defensive halfback. Six offensive starters returning are Larry Britten, rt; Paul Cameron, lh; Rudy Feldman, lg; Ira Pauly, c; Don Stalwick, rh; Bill Stits, f. Nine defensive starters back are: Myron "Mike" Berliner, re; Sam Boghosian, lg; Pete Dailey, lh; Milt Davis, rh; Terry Debay, Linebacker; Chuck Doud, lt; Jack Ellena, rt; John Peterson, lt; Jim Salsbury, rg. Cameron, Doud, Ellena, Peterson, Salsbury and Stits are all rated All-Coast or All-America possibilities.

LOSSES—13 veterans: 3 ends, 2 fullbacks, 2 tackles, 1 guard, 1 linebacker, 1 tailback, 1 wingback, 1 quarterback, 1 safetyman. Key losses are unanimous All-America linebacker Donn Moomaw, All-Coast ends Ernie Stockert and Ike Jones, All-Coast guard Ed Flynn, tailback Ted Narleski and ace safetyman Joe Sabol.

PROMISING SOPHOMORES—8 sophs off a 1952 mediocre first-year squad. They are guard Dick Braunbeck, left half Jack Dailey, tackle Chuck Gelfand, right half Johnny Hermann, center Jim Holve, fullback Steve Palmer, and ends Fred Shean and Roger White.

NEWCOMERS AND TRANSFERS—John Smith, 175, is counted on heavily at end. A transfer from Loyola University (L.A), he starred there as a freshman in 1951. Three fine sophs who did not compete as freshmen are lineman Gil Moreno, 207, from Whittier Hi; fullback Bob Davenport, 188, from Long Beach Hi; and fullback George Stephenson, 185, from San Diego Hi. End Irwin Kasten, 175, from El Camino JC, and guard Bob Dutcher, 190, from Fresno JC, are also well thought of.

OFFENSE—Red Sanders' colorful balanced-line single wing attack features both running and passing. It is a well balanced offense. The 1952 Bruins scored 18 touchdowns by rushing and 13 by passing, made 68 first downs by running, 50 from passing. The '52 team, third highest scoring team in UCLA history and ranked sixth in the nation averaged 24.4 points in their tough nine-game schedule. The key offensive post is tailback (left half) and returning to fill it is All-America candidate Paul Cameron. However, the Bruins will miss the ball carrying of Narleski and Cappy Smith, the top 1952 ground-gainers, and the pass-receiving of Jones and Stockert, who with returning Don Stalwick led in this department. Loss of top blocking back Lew Williams also poses a problem. The 1953 Bruins should have an offense at least equal to the 1952 team.

PASSING—Cameron has been leading Bruin passer for two years. His two-year record, despite multiple injuries in 1952, is 102 completions out of 230 attempts for 1403 yards and 18 TD's. This is an impressive 44.3 percentage. He appears ready for a big senior year. Primo Villanueva, a non-letterman, may also help here.

The 1953 Bruins

(Continued)

PUNTING—Bob Heydenfeldt, who averaged 40 yards on 47 kicks last season, is back at end. Cameron is also a fine punter and will divide the chores with Heydenfeldt.

THE OUTLOOK—Red Sanders admits he COULD have the best squad he has had at UCLA, providing his performers remain reasonably healthy. His starting team more nearly equals in ability some of the larger squads on the Coast, despite the fact that his 42-man squad is one of the nation's smallest. The Bruin head man feels that the new substitution rule will not harm UCLA's chances for a successful season. Red comments: "If our squad maintains its splendid morale and spirit of recent years, plus getting an equal share of the game breaks, this 1953 team could give UCLA another outstanding football record."

History of UCLA

In little more than a generation, the University of California at Los Angeles has become one of the major institutions of higher learning in the United States.

Founded in 1919 as the "Southern Branch" of the University of California, its name was officially changed by the Regents in 1927 to the University of California at Los Angeles—soon to be shortened to UCLA by newspaper headline writers.

In the early days UCLA was located on a small campus on North Vermont Avenue, just south of Santa Monica Boulevard. When enrollment swelled and the need for expanded facilities became apparent, the Regents made arrangements to acquire a 383-acre tract in Westwood Hills, site of the present campus.

Since moving to Westwood in 1929, UCLA has grown at an astonishing rate. Prior to World War II, 12 major buildings of red-brick Italian Renaissance architecture were erected on campus. Since the war, a building program of more than $50,000,000 has doubled the number of buildings and is readying the campus plant for an expected enrollment of 20,000 students by 1960.

UCLA's enrollment today is more than 13,000 regular, full-time students, ranking it ninth nationally and second on the Pacific Coast. Its faculty, drawn from leading institutions of learning all over the world, numbers 850 and the non-academic staff 1200.

To give UCLA more administrative autonomy, the Regents recently authorized the appointment of a Chancellor for the Los Angeles campus. He is Dr. Raymond B. Allen, former president of the University of Washington, who has had a distinguished career in education and government.

As one of eight campuses of the statewide system, UCLA shares the academic recognition that has given the University of California top ranking among the universities of the nation. It is counted as one of the "Big Five," which also includes Harvard, Columbia, Chicago and Yale.

Single Wing Master

HENRY R. "RED" SANDERS
UCLA HEAD FOOTBALL COACH

One of the nation's foremost single wing football coaches! That's Red Sanders, UCLA's seventh head coach. Those who preceded him at UCLA were Fred W. Cozens (1919), Harry Trotter (1920-22), James Cline (1923-24), William H. 'Bill" Spaulding (1925-38), Edwin C. "Babe" Horrell (1939-44), Bert LaBrucherie (1945-48).

The year 1953 will be Sanders' 25th season as football tutor. Following 14 successful years of prep and assistant college coaching jobs, Red has earned the reputation as a top mentor by outstanding performances for six years at Vanderbilt and four at UCLA. He gained further national recognition on the coaching staffs at the 1951 East-West Shrine game in San Francisco, the 1952 All-Star game in Chicago and the 1952 North-South game in Miami, Fla.

In his four seasons at UCLA, Sanders' coaching and personality have made a great "hit" with Bruin players, fans, alumni and public. Noted as a coach who has never failed to finish higher than he was doped by the experts, he has turned out soundly-drilled teams which won 25 games, lost 10 and tied one. He has finished second three times (1949, 1951, 1952) and third once (1950) in the Pacific Coast Conference and his 1952 team was ranked sixth in the nation with an 8-1 record.

Sanders lived and coached all his life in the South before coming to UCLA. Born in Asheville, N. C, on March 7, 1905, he moved to Nashville, Tenn., when he was two. He attended Davidson County Central Hi in Nashville and later graduated from Riverside Military Academy, Gainesville, Ga., in 1923.

Entering Vanderbilt in 1923, Sanders lettered four years each in baseball, football and basketball. He was Vandy's baseball captain in 1927. Sanders played quarterback at the same time All-American Bill Spears performed at Vandy. The late Dan McGugin, his coach, once remarked that "Sanders has one of the best football brains I have ever known."

Incidentally, the "Red" is a nickname tacked on him in childhood by an uncle. It has nothing to do with the color of his hair, which is iron-gray.

His first coaching job was as backfield aide at Clemson in 1927. He also played pro baseball for three years following graduation from Vanderbilt. Sanders moved

to Columbia, Tenn., Military Academy as head coach in 1931, then to his prep Alma Mater, Riverside, in '34. During his eight-year career at these two schools, he compiled one of the finest prep records in Southern history, winning 55 games, losing only four and tying two. In 1938 he was freshman coach at Florida and the next backfield tutor at LSU. Vanderbilt paged him in 1940. There against top competition, Sanders' six-year record (1941-42-43-46-47-48) was 36 wins, 22 defeats and two ties.

Sanders, who brought to the West Coast such outstanding grid tactics as the balanced-line single wing, has always coached the single wing. He also originated the now-famed 4-4 defense, developed the "squib kick" as substitution for the out-of-bounds punt and exploited and popularized the now almost universally-used spread punt formation. He often refers to his system as a "horse-and-buggy formation with a TV set in the dashboard." The Sanders attack features plenty of passing and running power and also occasional short punt and spread formations. His is the only "pure" single wing team in the league.

Red served as a Navy Commander in World War II. He is married to the former Ann Daniel, of Lakeland, Fla., an alumnae of Forida State University and holder of a masters degree from the University of North Carolina.

WILLIAM F. "BILL" BARNES (Tennessee '41)
End Coach and Scout

Tennesseean Bill Barnes is marking his fourth year as end coach at UCLA this season. Before coming to the Bruins in 1950 he spent four years at the University of Arkansas as an end coach and scout.

Bill had a colorful football career as a player. He played prep football at Central Memphis High in 1935 (he was on the same team with present Bruin backfield coach Tommy Prothro) and in that year was a squad member of an All-Southern high school all-star team. After his prep days, versatile Billy starred as wingback in his sophomore season (1937), blocking back as a junior ('38) and end as a senior ('39). The 1938 Volunteer team, called the best Tennessee aggregation in history rolled over Oklahoma in the Orange Bowl.

The 1939 team played and lost to USC in the Rose Bowl. Bill graduated in 1941 with a Bachelor of Science in Education, majoring in geology and geography.

Tennessee signed him as assistant coach and scout in 1940. Two years later he entered the Army as 2nd Lieutenant. After four years he was discharged with the rank of Major.

Barnes is 35 years old, five-foot-ten and weighs 185 pounds. He's wed to the former Frances Tow, whom he met while coaching at Arkansas.

HERBERT B. "DEKE" BRACKETT (Tennessee '34)
Assistant Coach

Deke Brackett, now begining his fourth year as assistant coach at UCLA, was signed by Red Sanders at the same time (1950) as End Coach Bill Barnes. Like Barnes, he was at the University of Arkansas before coming west. At the Razorback school he was backfield coach and head baseball coach from 1946 until 1949.

Brackett's coaching career dates back to 1934, the year he was graduated from the University of Tennessee where he was student body president in his senior year. He began that year as assistant football coach for the Volunteers.

He received honorable mention on Grantland Rice's All-American teams in 1931-32-33. Deke is 42 and is married to the former Hazel Bowman and has two children, Herbert Jr., 12, and Sallye, 5.

After graduating from Knoxville, Tenn., High in 1929, he entered Tennessee and quarterbacked undefeated Vol teams in 1931-32.

In 1937 and 1938 he was assistant football coach and head baseball coach at The Citadel in Charleston, S. C. The following two years he held the same job at Hampden Sydney College, Va. The years 1942-45 found him in the Navy, from which he was discharged in 1945 as Lieutenant Commander.

GEORGE W. DICKERSON (UCLA '37)
Asst. Line Coach and Scout

Along with Freshman Coach Johnny Johnson, George Dickerson is the only member of the Bruin football staff that calls UCLA his alma mater. He played tackle for Bill Spaulding in 1934-35-36 and as a senior was Bruin football captain.

At the age of nine George moved to Los Angeles from Galion, Ohio, where he was born 40 years ago. Before coming to UCLA, he attended Fairfax High in Los Angeles. In college he competed in both boxing and rugby besides football.

After graduating in 1937, he coached a year at Arroyo Grande High in Northern California and four years at Tracy, Calif., Union High. At the latter school, he coached the football, basketball and baseball teams.

He was discharged from the Navy as a Lieutenant early in 1946 and served as frosh football coach four years (1946-47-48-49). He is now in his fourth year as assistant line coach and scout. George is married to former Bruin coed Betty Axline, class of '36, and has one son, George Jr., who is 10.

JAMES A. (JIM) MYERS—(Tennessee '47)
Line Coach

This season marks the sixth year that Jim Myers has been associated with Red Sanders. He was an assistant coach under Sanders in 1948 at Vanderbilt and came west with him to UCLA. Born in Madison, W. Va., 31 years ago, Myers is rated one of the nation's leading line coaches. He's wed and has three daughters, Susan, 7; Katherine, 4; and Carol, 3.

At Madison, Jim played four years of prep ball. He enrolled at Tennessee and played frosh ball in 1940 and two years of varsity in 1941-42. In 1943 he joined the Marines and served until 1946. As a Marine trainee at Duke in '43 he played football and was named All-Southern Conference guard. He returned to Tennessee in '46 and completed his grid career, graduating in '47.

His coaching career got its start at Wofford College in Spartanburg, S. C., in 1947 when he coached the line. The following year he joined Coach Sanders as line coach at Vandy and came to UCLA with him in 1949.

J. THOMPSON (TOMMY) PROTHRO, JR.
(Duke '42)—Backfield Coach

Altogether, 32-year-old Tommy Prothro has spent seven years as backfield tutor under Red Sanders. This season will be his eighth. He is the largest of the Bruin football staff, standing six-foot-three and weighing 230 pounds.

A four-sport man, he competed in football, basketball, baseball and track for Memphis Central High,

1934-36 and Riverside Military Academy, in 1936-38.

At Duke University, Tom was a blocking back, winning two top awards during his career—the Jacobs Award as the best blocker in the South and the Mills Award as the best blocker in the East. He played against Oregon State in the 1943 transplanted Rose Bowl game at Durham, N. C. He also participated in baseball and lacrosse at Duke from 1938-42. In 1942 he joined the Navy and in 1945 was discharged as a Lieutenant.

Tom coached the Vanderbilt "B" team in 1946 and in '47 became backfield coach under Red Sanders. Shortly before entering the service he was line coach at Western Kentucky in '42. He came to UCLA in 1949 with Red. Tommy is the son of the well-known baseball figure, Thompson "Doc" Prothro, and the nephew of General Clifton B. Cates, Commandant of the U. S. Marine Corps.

JOHN L. (JOHNNY) JOHNSON (UCLA '47)
Freshman Coach

Johnny goes into his fourth season as head Bruin frosh coach. Back in 1949 he served as frosh backfield mentor and then the following year succeeded George Dickerson as yearling headman when Dickerson moved up to the varsity staff. He's 31 years old, five-foot-nine, 185 and still an eligible bachelor.

He lettered three years as a quarterback, 1936-37-38, at Bakersfield High where he gained All-San Joaquin Valley recognition. He captained the 1939 UCLA frosh eleven and, after missing a year of varsity competition, returned as a Bruin fullback in 1941.

From 1942-46 he was in the service. He was discharged as a lieutenant in the Naval Air Corps. For two years (1943-44) he gained valuable experience as a Naval athletic officer, handling all types of sports. He returned to UCLA in 1946 and played on the PCC championship team as a fullback.

WILBUR JOHNS (UCLA '25)
Director of Athletics

This is Wilbur Johns' seventh year as UCLA's Director of Athletics. He succeeded the beloved Bill Spaulding as the guiding light of Bruin athletics in 1947 and has been doing a fine job ever since. In fact, he has gained a wide reputation as "a man who knows his coaches" by selecting such top-drawer men as Red Sanders and John Wooden to guide UCLA football and basketball destinies.

Ever since Johns came to UCLA in 1921 he has been closely associated with his alma mater as student, athlete, coach and now athletic director. He was a three-sport letterman at Glendale High in basketball, tennis and baseball but a broken arm in two successive grid seasons forced him to forego football. At UCLA he lettered four years in basketball and also won his "C" in swimming and tennis. He captained the 1925 Bruin cage varsity.

Following graduation he was named assistant hoop mentor under Caddy Works. He served as varsity aide and frosh coach until 1939 when he was named head cagemaster. Johns-coached quintets gained in prominence until 1945 when the Bruins won the Southern Division title, and repeated in '47.

In 1949 Johns gave up his coaching duties in order to devote full time to the over-all UCLA athletic program and picked Wooden to succeed as cage coach. Wilbur is now well-known and respected in NCAA athletic circles and is currently chairman of the NCAA Extra-Events Committee, Chairman of the NCAA Public Relations Committee and a member of the NCAA Executive Committee. He is also treasurer of the PCC and a member of the special PCC Committee studying Recruiting and related matters.

Wilbur is married to the former Idelle Robelen and has an attractive daughter, Peggy, 21, recently married, and Mike, 4-year-old son.

OREGON STATE COLLEGE (Game at Los Angeles Coliseum, Friday night, Sept. 18, 8:30 p.m.)

Location: Corvallis, Ore.
Conference: Pacific Coast
Enrollment: 5000
Colors: Orange and Black
Nickname: Beavers
Athletic Director: Roy S. "Spec" Keene
Head Coach: LeVerne "Kip" Taylor
Sports News Director: John H. Eggers
1952 Record: Won 2, Lost 7
Returning Lettermen — 19

UCLA all-time record against Oregon State: W-10, L-4, T-3.

Widest margin of victory for UCLA: 57 points (57-0 in 1952)

Widest margin of victory for OSC: 28 points (28-0 in 1948)

The Bruins and Beavers go into their 24th year of grid rivalry in this contest with UCLA again favored, but with Kip Taylor and OSC aching for revenge for the 57-0 beating of last fall.

Four starters returning from that 1952 contest are right tackle John Witte, center Joe Fulwyler, quarterback Chuck Brackett and left half Wally Jackson. Also returning is regular quarterback Jim Withrow, who did not play against UCLA in '52 because of a broken thumb on his passing hand. Statistics show that Withrow completed 41 out of 92 passes for 601 yards and six touchdowns to rank sixth in the Pacfic Coast Conference, even ahead of SC's Jim Sears and UCLA's Paul Cameron.

Bruin fans will be hoping Oregon State doesn't come any closer to upsetting UCLA than an under-rated Oregon team did last fall when the Ducks barely dropped a 13-6 decision in the fourth quarter.

UNIVERSITY OF KANSAS (Game at Los Angeles Coliseum, Friday night, Sept. 25, 8:30 p.m.)

Location: Lawrence, Kans.
Conference: Big Seven
Enrollment: 5500
Colors: Crimson & Blue
Nickname: Jayhawkers
Athletic Director: A. C. "Dutch" Lonborg
Head Coach: Jules V. Sikes
Sports News Director: Don Pierce
1952 Record: Won 7, Lost 3, Tied 0
Returning Lettermen — 25

First game played by these teams; no series record.

For their first appearance in Los Angeles, Kansas brings one of the nation's finest lines to the West Coast. Using the standard T-formation with and without flankers and a formation that is called a Sliding-T, Coach Sikes has indicated that his main problem is putting together a good backfield following loss by graduation of no less than six senior quarterbacks and three outstanding passers like Jerry Robertson, Gil Reich and Charley Hoag.

Big Les Bixler, six-foot-five and 232, figures to show Coast fans what one of the nation's great tackles looks like. His battle for honors with UCLA All-American candidates Chuck Doud and Jack Ellena should be titanic. The four tackles starting this game for both teams may be the top foursome in the nation.

Co-Captains Morrie Kay, an end, and Bob Hantla, guard, are also among the best in the Big Seven. Big offensive hope is halfback John Konek, who was All-Big Seven back in 1951 and first stringer on defense last fall until felled by a mid-season injury.

Hunch followers might keep in mind the 11-game non-conference win streak the Jayhawkers have compiled. They haven't lost a non-conference game since TCU defeated them, 14-7 in the 1950 opener.

UNIVERSITY OF OREGON (Game at Eugene, Ore., Saturday, Oct. 3, 1:30 p.m.)

Location: Eugene, Ore.
Conference: Pacific Coast
Enrollment: 4000
Colors: Green & Yellow
Nickname: Ducks, Webfoots
Athletic Director: Leo Harris
Head Coach: Len Casanova
Sports News Director: Art Litchman
1952 Record: Won 2, Lost 7, Tied 1
Returning Lettermen — 26

UCLA all-time record against Oregon: W-13, L-10, T-0

Widest margin of victory for UCLA: 41 points (41-0 in 1951)

Widest margin of victory for Oregon: 27 points (27-0 in 1929)

Returning to play a game in Eugene, Ore., for the first time since losing to Oregon, 14-7, on Nov. 7, 1942, UCLA will remember last year's opener when Len Casanova's Oregonians nearly pulled the upset of the year, barely losing, 13-6, in the final quarter.

It might be pointed out that UCLA has never defeated Oregon in five starts at Eugene, the Ducks winning, 27-0, in 1929; 7-0 in 1930; 14-12 in 1938; 19-0 in 1940 and 14-7 in '42.

No less than six starters from that 1952 opener return for the Ducks: left end Len Berrie, now right tackle; left tackle Hal Reeve; center Ron Pheister; right tackle Jack Patera, now left guard; left half Ted Anderson; and right half Farrell Albright. Reeve is expected to be another all-star tackle prospect the Bruins have to face this fall.

In addition, with the great George Shaw operating at T-quarterback, Oregon has one of the finest all-round performers in the country. Besides holding the NCAA record for pass interceptions for one season, he was third in the conference in passing last fall with 55 completions out of 116 attempts for 666 yards and three touchdowns. This helped put the Ducks in second place in team aerials in '52.

UNIVERSITY OF WISCONSIN (Game at Los Angeles Coliseum, Friday night, Oct. 9, 8:30 p.m.)

Location: Madison, Wisc.
Conference: Big Ten
Enrollment: 13,005
Colors: Cardinal & White
Nickname: Badgers
Athletic Director: Guy Sundt
Head Coach: Ivan Williamson
Sports News Director: Art Lentz
1952 Record: Won 6, Lost 3, Tied 1, including Rose Bowl
Returning Lettermen — 17

UCLA all-time record against Wisconsin: W-1, L-1, T-0

Widest margin of victory for UCLA: 13 points (20-7 in 1952)

Widest margin of victory for Wisconsin: 7 points (14-7 in 1938)

For this third home night game in a row, the Bruins and Badgers could play before a crowd that would set a collegiate night attendance record. UCLA and St. Mary's played before 92,976 in 1946 to set the present national record.

Only three Wisconsin starters from the Bruin-Badger fray of 1952 return but they are three great ones. Center Clarence Stensby, T-quarterback Jim Haluska and fullback Alan Ameche.

Haluska was the nation's 6th ranking passer last fall, completing 112 passes out of 199 attempts for 1410 yards and 12 touchdowns. In the UCLA-Wisconsin '52 clash, Haluska threw 38 passes for a new Badger record—completing 18 for 145 yards and one TD.

Ameche ranked sixth nationally in rushing and first in the Big Ten with 946 yards in 205 tries for a rugged 4.61-yard average per play.

Other Badger stars for '53 appear to be backs Paul Schwaiko, Jerry Witt and Roger Dornburg and ends Don Voss and Jerry Wuhrman.

In all, the clash this year looms as at least the equal of the Wisconsin-SC Rose Bowl clash last Jan. 1 when Ivy Williamson's boys ran over the Trojans, but dropped a 7-0 decision.

UCLA all-time record against Stanford: W-9, L-13, T-1

Widest margin of victory for UCLA: 33 points (39-6 in 1947)

Widest margin of victory for Stanford: 82 points (82-0 in 1925)

The Bruins and Indians go into the 29th year of UCLA's longest continued grid rivalry. One of the closest and most colorful of all UCLA's rivalries, this one figures as close as the one which the Bruins won, 24-14, last fall.

From the spine-tingling contest, Stanford has no less than seven returning offensive starters, including: left half Ron Cook, T-quarterback Bob Garrett, center Jerry Goldberg, left end Sam Morley, right half Bill Rogers, right end John Steinberg and left tackle Phil Wilson, now a guard.

Of these Garrett was the second ranking passer in the conference and 38th in the nation, completing 60 out of 126 passes for 10 touchdowns. Cook rated seventh in the league in rushing with 390 yards gained in 76 attempts for a 5.1-yard average.

Morley, who looms as Stanford's All-America candidate, ranked second in pass-catching with 40 catches for 523 yards and six touchdowns. This put him 13th nationally. Steinberg caught 26 for 448 yards and three TD's.

Judging from these impressive statistics, it's easy to understand why Indian boosters say, "Stanford will throw some opponents dizzy this fall."

WASHINGTON STATE COLLEGE (Game at Los Angeles Coliseum, Saturday, Oct. 24, 2 p.m.)

Location, Pullman, Wash.
Conference: Pacific Coast
Enrollment: 5000
Colors: Crimson and Gray
Nickname: Cougars
Athletic Director: Dean Golden Romney
Head Coach: Al Kircher
Sports News Director: Don Faris
1952 Record: Won 4, Lost 6, Tied 0
Returning Lettermen — 17

UCLA all-time record against Washington State: W-8, L-5, T-0

Widest margin of victory for UCLA: 42 points (42-0 in 1950)

Widest margin of victory for WSC: 38 points (38-0 in 1928)

The Bruins and Cougars meet for the first time since UCLA rolled to a record-breaking 42-0 win in 1950, though this year's contest promises to be no repetition of that game.

Though hurt by loss of two topflight ends in Ed Barker and Don Steinbrunner, Washington State has another fine passing target in six-foot-eight-inch wingman Howard McCants, a converted tackle, to go with throwing star Bob Burkhart, holder of the Pacific Coast

1953 UCLA Opponents

Conference record for touchdown passes in a single season (15 in 1951).

Last season Burkhart completed 41 out of 89 passes for 772 yards and eight touchdowns to rank fifth in conference standings. He also ranked fourth in punting.

Although they averaged only around 156 yards per game on the ground last fall, Washington State Coach Al Kircher hopes to get a good rushing game going in 1953 built around the likes of halfbacks Wayne Berry and Terry Campbell.

Phil Gardner and Mel Thompson, two 1952 starting guards, also return although Gardner has now moved to center.

Look for Washington State to be tougher than some experts pick them. Two straight crops of fine freshman material are starting to fill out the squad and Pullman fans are definitely planning on a big upsurge in '53.

UNIVERSITY OF CALIFORNIA (Game at Los Angeles Coliseum, Saturday, Oct. 31, 2 p.m.)

Location: Berkeley, Calif.
Conference: Pacific Coast
Enrollment: 16,136
Colors: Blue & Gold
Nickname: Golden Bears
Athletic Director: Brutus Hamilton
Head Coach: Lynn "Pappy" Waldorf
Sports News Director: Bob Rubin
1952 Record: Won 7, Lost 3, Tied 0
Returning Lettermen — 17

UCLA all-time record against California: W-8, L-14, T-1

Widest margin of victory for UCLA: 21 points (21-0 in 1942 and 28-7 in 1952)

Widest margin of victory for Cal: 35 points (35-0 in 1950)

This great and colorful intra-university rivalry goes into the 21st year as two friendly, but keen, personal rivals—Red Sanders and Pappy Waldorf—meet for the fifth time. The Sanders-tutored Bruins lost their first two meetings with the Waldorfmen (1949-50) but evened things up the past two seasons with brilliant victories.

The 1953 Bears will probably be just as hard-running an outfit as ever with Paul Larson sparking the attack from either quarterback or halfback. Larson ranked ninth in the conference in rushing last fall with 362 net yards in 57 attempts for an outstanding 6.3 yard average.

Also expected to give Cal another running threat is soph Jerry Drew, from Los Angeles. Operating with Larson at quarter is another fine T-QB prospect in Sammy Williams, a defensive half in '52.

The usually strong Bear front wall will find '52 starters Tom Dutton, a guard, and Jim Dillon, an end,

as Cal's strongest candidates for sectional or national honors.

After two years of defeats at the hands of UCLA, 21-7, and 28-7, the Bears will be out to avenge the blots on their record.

UNIVERSITY OF WASHINGTON (Game at Los Angeles Coliseum, Saturday, Nov. 14, 2 p.m.)

Location: Seattle, Wash.
Conference: Pacific Coast
Enrollment: 12,500
Colors: Orange & Black
Nickname: Huskies
Athletic Director: Harvey Cassill
Head Coach: John Cherberg
Sports News Director: Bert E. Rose Jr.
1952 Record: Won 7, Lost 3, Tied 0

UCLA all-time record against Washington: W-7, L-8, T-1

Widest margin of victory for UCLA: 27 points (34-7 in 1947)

Widest margin of victory for Washington: 41 points (41-0 in 1940)

Despite loss of the nation's No. 1 passer, Don Heinrich, through graduation, the Huskies expect to field one of the Coast's top teams in 1953.

Doing the throwing out of the T-formation quarterback spot this fall will be soph Sandy Lederman, a former All-CIF star who threw 24 touchdown passes for Santa Monica Hi in 1951.

Lederman's prime target will be six-foot-five, 220-pound George Black, top scorer in the Coast Conference last fall and third best pass-catcher with 38 to his credit. As a receiver he gained no less than 536 yards and scored seven TD's, more than anyone else in the league.

Making the running game go will probably be fullback Jack Nugent, who netted 381 yards in 87 tries for a 4.4-yard average last fall, and halfback Jack Kyllingstad, who netted 384 in 81 carries for a 4.3 average.

Besides Black, other regulars who competed against UCLA last fall and are returning include: center Vern Lindskog, right tackle Dean Chambers and left half Bill Albrecht.

This year's clash will mark the first appearance of a Cherberg-coached team in Los Angeles.

UCLA all-time record against USC: W-4, L-14, T-4

Widest margin of victory for UCLA: 39 points (39-0 in 1950)

Widest margin of victory for USC: 76 points (76-0 in 1929)

This biggest of all "big games" winds up its first quarter of century with prospects of another colorful 100,000 crowd viewing the spectacle. To date 1,608,182 fans have seen the two teams meet for an average of better than 73,000 per tilt.

Still blessed with some of the finest manpower in the country, despite loss of their entire first string defensive line, SC is again favored to win the PCC title, but will not be eligible to compete in the Rose Bowl.

No less than seven offensive starters return from last year's Bruin-Trojan game, including the following: All-American end candidate Tom Nickoloff and running mate Ron Miller, tackles Ken Thompson and Chuck Weeks, guard Ed Pucci, quarterback George Bozanic and fullback Leon Sellers.

In the switch to the Michigan-type single wing (to which Troy shifts out of the T-formation), Aramis Dandoy moves into the all-important left half or tailback spot. Soph Jim Decker, one of the Southland's greatest prospects in years, could push Dandoy hard for the starting position. Both can operate well when the team chooses to stay in the T-formation.

Also in line for tailback duty is Des Koch, the nation's No. 1 punter last fall with a 43.8-yard average for the season. Others outstanding statistically in '52 were Nickoloff, who caught 17 passes for 292 yards and three touchdowns, and halfback Lindon Crow, who intercepted six passes for a total return of 111 yards.

Note: A "rule of thumb" in placing of certain men on defense is as follows—tackles are always reversed on defense; centers and quarterbacks (blocking backs) are always linebackers on defense; fullbacks and right halfbacks are always defensive halfbacks and left halfbacks (tailbacks) are always safety men on defense.

Thumbnail Sketches of Bruin Players

LEFT END (ALSO LEFT END ON DEFENSE)

MILTON EUGENE (MILT) DAVIS—Senior, one-year letterman. Played 245½ minutes only at defensive halfback and safety last year. Intercepted six passes for 83 yards return to rank second among UCLA players and fourth in the PCC. Won honorable mention on AP's All-Coast team. Did not play football at Jefferson Hi or Los Angeles City College prior to UCLA. Won track letter in 1952 as quarter miler. Zoology major.

ROBERT MARSHALL (BOB) HEYDENFELDT—Junior; one-year letterman; played 48½ minutes last fall, mostly as punting specialist. In kicking, rated second in PCC and 14th nationally with average of 39.9 yards on 47 punts. Intercepted one pass. One-year rugby letterman. Made determined bid for first string berth in spring practice and rates 50-50 chance. Was All-City end on 1950 Canoga Park Hi team under Coach Ansel Breniman. Education major.

FREDERIC CARL (FRED) SHEAN—Sophomore; frosh numeral winner in 1952; played three years at Notre Dame Hi, Sherman Oaks, Calif., under Coach Duffy Lewis. Shows fair speed. Chemistry major. Phi Delta Theta fraternity.

JOHN ANTHONY (JOHN) SMITH—Junior; transfer from Loyola University of Los Angeles, which abandoned football after Smith's freshman year of competition in 1951. Was All-league end at Mt. Carmel Hi, Los Angeles, under Coach Marty Martinelli. Hurdled on UCLA track team last spring. All-around ability makes him standoff with Heydenfeldt as starting end. Pre-med student. Phi Gamma Delta fraternity.

LEFT TACKLE (RIGHT TACKLE ON DEFENSE)

HENRY WARNER (BEN) BENJAMIN — Junior; one-year letterman; played 99 minutes last year as defensive right tackle. Intercepted one pass for a seven-yard return. Was All-City San Diego guard while at La Jolla, Calif. Hi, under Coach Walt Harvey. Improvement put him right near top in spring practice until injury slowed him up. Physical education major. Sigma Pi fraternity.

LARRY JOE (LARRY) BRITTEN — Senior; two-year letterman; played 210 minutes as starting offensive right tackle last fall. Was All-Citrus Belt League lineman while at Redlands Hi under Coach Ralph Weaver. Is right in middle of tough battle for starting berth here. Physical education major. Zeta Psi fraternity.

JACK ELLENA — Junior; one-year letterman; played 193 minutes last year as defensive right tackle. Won first team INS All-Coast honors, second team UP All-Coast, and honorable mention AP All-Coast honors. Has fine speed and agility for his size. Intercepted two passes for return of 32 yards and one touchdown last fall. Won 1953 Pacific Coast Intercollegiate Heavyweight Wrestling Championship and just barely lost a 4-3 split decision in the semi-finals of the NCAA Championships at Penn State. With two seasons of eligibility remaining, he looms as an All-American possibility in both football and wrestling. Attended Susanville Hi and Lassen JC in Northern California. Physical education major. Delta Tau Delta fraternity.

DAVID ALAN (DAVE) LEVY — Senior; one-year letterman; played 47 minutes as defensive left tackle last fall. Played at Long Beach Poly Hi under Coach Red Montgomery and at Long Beach City College prior to UCLA. Physical education major.

LEFT GUARD (ALSO LEFT GUARD ON DEFENSE)

SAM (SAM) BOGHOSIAN—Junior; one-letterman; played 230 minutes as defensive left guard last fall. Showed great facility for stopping plays up the middle. Should make the switch to offense well. Won 1952 rugby letter. Was All-City lineman for two years at Fresno Hi, under Coach Toby Lawless, prior to UCLA. Physical education major. Delta Sigma Phi fraternity.

RUDY ARTHUR (RUDY) FELDMAN — Senior; two-year letterman; played 236½ minutes as starting offensive left guard last fall. Is a very smooth operator at guard and should make the switch to one-platoon football very well. Is two-year rugby letterman. Played three years at guard at Palo Alto Hi, under Coach Hop Ray. Physical education major.

GIL (GIL) MORENO—soph; was second string All-CIF tackle at Whittier Hi, under Coach Don Cole, in 1951 and played in the 1952 All-American high school classic at Memphis, Tenn. Is fine prospect. Physical education major. Theta Delta Chi fraternity.

CHARLES C. (CHUCK) NANCE—Junior; a 1952 squadman; did not get in any varsity playing time. Played at Glendale Hoover Hi under Coach Jerry Clements. Mathematics major.

CENTER (LEFT LINEBACKER ON DEFENSE)

LEON VICTOR (LEON) EVANS—Junior; 1952 squadman; played 32½ minutes of varsity offensive center last fall. Played three years of center at Washington Hi under Coach Bill Sloan and attended El Camino JC one semester. Business Administration major.

JAMES HENRY (JIM) HOLVE—Soph; freshman numeral winner in 1952; played offensive center last fall. All-league end at Anaheim Hi in 1951 under Coach C. A. Van Hoorbeke. Engineering major.

IRA B. (IRA) PAULY—Senior; two-year letterman; played 228 minutes as starting offensive center last fall. Was very steady, made virtually no bad passes, a rarity among single wing pivotmen, who have to pass the ball instead of handing it back and block at the same time. Has taken to one-platoon system well. Three-year rugby letterman. Winner of the Captain Don Brown Memorial Trophy last fall as the "most improved player" on the team. Played one year of varsity football at Beverly Hills Hi under Coach John Morrow. Business Administration major. Zeta Psi fraternity.

JOHN JAMES (JOHNNY) PETERSON—Junior; two-year letterman; played 237 minutes as starting defensive left end last fall. Won All-Coast mention, but was one of the most under-rated performers on the entire UCLA team. Intercepted two passes for 19-yard return last fall. Has tried center and linebacking previously so should work out well. Is a fine athlete. Two-year letterman as weightman on the Bruin track team. Was All-Western League end at University Hi under Coach Tom Wilcox. Business Administration major. Beta Theta Pi fraternity.

RIGHT GUARD (ALSO RIGHT GUARD ON DEFENSE)

RICHARD P. (DICK) BRAUNBECK—Soph; freshman numeral winner in 1952; played both offensive and defensive guard. Because of lack of size, played only one year of varsity football at Inglewood Hi under Coach Marty Ernaga. Physical Education major.

OSCAR (TERRY) HESELIUS—Junior; 1952 squadman; played 38½ minutes of varsity defensive right guard last fall. His improvement could help the Bruin line greatly. Was All-CIF third team guard at San Diego Hi in 1950 under Coach Duane Maley. Business Administration major. Sigma Pi fraternity.

Thumbnail Sketches
(Continued)

DAN H. (DAN) LAIDMAN—Senior; two-year letterman; played 45 minutes as defensive right guard last fall. Probably smallest lineman playing at any major university in the country. Two-year rugby letterman. Explosive hitter. Played one year of varsity football at Burroughs Hi in Burbank under Coach Elvin Hutchinson. Electrical Engineering student. Sigma Alpha Mu fraternity.

JIM WOODROW (JIM) SALSBURY—Junior; two-year letterman; played 246½ minutes as defensive right guard last fall. Won All-American mention by AP and first string AP All-Coast honors. Probably greatest day of his life was in the UCLA-California game of 1952 when he virtually obliterated the Bears' strong up-the-middle ground game. Could be one of the nation's greatest before he's through. Has excellent agility, speed and magnificent competitive spirit. Definitely a man to tab. Was All-City guard and All-Western League "Player of the Year" while at Hamilton Hi under Coach Bus Sutherland, a former Bruin performer. Physical Education major. Phi Gamma Delta fraternity.

RIGHT TACKLE (LEFT TACKLE ON DEFENSE)

FRED (FRED) ANDREWS—Senior; 1952 squadman; played 30 minutes of varsity defensive right tackle last fall. One-year rugby letterman. Competed at Los Angeles Hi under Coach Lefty Goodhue. Business Administration major. Zeta Psi fraternity.

CHARLES O'REILLY (CHUCK) DOUD—Senior; one-year letterman; played 230 minutes as starting defensive right tackle last fall. Won UP honorable mention All-American; was first team AP All-Coast, first team UP All-Coast. Is probably the most colorful lineman to hit the Pacific Coast in 20 years. Was one of the nation's greatest pass rushers last fall; had particularly good days against Washington, Wisconsin and California although UCLA coaches termed his work of consistently high quality. Greatest assets are terrific determination, outstanding footwork, fine fakes, strength and speed. Top All-American line candidate in the West. Captain and two-year rugby letterman. Transfer from Notre Dame. Was all-league tackle at Villanova Prep school, Ojai, Calif., under Coach Fred Rice. Marketing major. Zeta Psi fraternity.

CHARLES (CHUCK) GELFAND—Soph; freshman numeral winner in 1952; played both offensive and defensive tackle last fall. Played guard and tackle at Pasadena City College under Coach Tom Mallory. Accounting major. Tau Epsilon Phi fraternity.

Thumbnail Sketches
(Continued)

JOE JAMES (JOE) RAY—Junior; one-year letterman; played 50½ minutes as mostly defensive left tackle and linebacker last fall. Is a tough, explosive hitter. Was All-City performer at Lincoln Hi under Coach Bill Ford and also attended East Los Angeles JC. Physical Education major.

RIGHT END (ALSO RIGHT END ON DEFENSE)

MYRON (MIKE) BERLINER — Senior; two-year letterman; played 235½ minutes as starting defensive right end last fall. Won first team INS All-Coast honors; second team UP All-Coast and honorable mention on AP's All-Coast team. Was probably the smallest starting lineman on any major college team in the nation in 1952. Has outstanding agility, timing and hand-work. Should work out well as "two-way" performer despite lack of height. Is at least 50-50 bet to win starting berth. Played end at Wilson Hi under Coach Vic Kelley. Physical Education major. Zeta Beta Tau fraternity.

THEODORE SPENCER (TED) HOGUE—Junior; two-year letterman transfer from Compton College, where he played end. Was All-Coast League end at Compton Hi under Coach Chuck Williams. Showed promise in spring drills. Geology major.

IRWIN (IRWIN) KASTEN—Junior; transfer end from El Camino JC. Played end at Torrance Hi under Coach Cliff Graybehl. Physical Education major.

ROBERT WENDELL (BOB) LONG—Junior; one-year letterman; played 72 minutes of offensive right end last fall. A good passing target and an improving performer. Should do an increasingly good job. Has 50-50 chance to win starting berth. Has won two track letters as weightman. Played end at South Pasadena Hi under Coach Frank Williamson. Business Administration major.

ROGER JOHN (WHITIE) WHITE—Soph; freshman numeral winner in 1952; played both offensive and defensive end. Showed promise in spring practice until injured. Played two years of varsity football as end and tailback at Alhambra Hi under Coach Ed Sowers. Business Administration major. Delta Tau Delta fraternity.

QUARTERBACK OR BLOCKING BACK (RIGHT LINEBACKER ON DEFENSE)

TERRY (TERRY) DEBAY—Junior; two-year letterman; played 239½ minutes as starting defensive right linebacker last fall. Paired off with All-American Donn Moomaw in 1952, the Debay-Moomaw combine was rated as the best linebacking duo in the country. Fine

determination, agility and striking force are Debay's great attributes. Should be outstanding again this year. Has taken well to his new blocking duties on offense. Is a standoff for starting position with Don Foster. Was All-City center at Canoga Park Hi in 1950 under Coach Ansel Breniman. Physical Education major.

DONALD GEORGE (DON) FOSTER—Senior; one-year letterman; played 26½ minutes as quarterback last season but did not win a letter, largely because of injuries. Won a letter, however, in 1951. Intercepted one pass for 16-yard return last fall. Improved greatly in spring practice as a "two-way" performer and is on equal terms with Debay as of the opening of fall drills. Was All-Foothill League tailback at Burroughs Hi in Burbank under Coach Elvin Hutchinson. Physical Education major. Kappa Sigma fraternity.

GERALD ROBERT (OAK) OKUNEFF — Junior; 1952 squadman; played 42½ minutes of offensive quarterback last fall. Has shown steady improvement. Was first team All-Western League left half at Fairfax Hi in 1951 under Coach Frank Shaffer. Also attended Los Angeles City College for one semester. Letters & Science student.

STEPHEN LEE (STEVE) PALMER—Soph; captain and fullback of the 1952 UCLA freshman team and winner of the Charles Pike Memorial Award which goes annually to the Brubabe captain. An outstanding student, Palmer won last year's Dr. Clarence A. Dykstra Memorial Scholarship. He has now switched from full to quarter and shapes up well for the future. Rugby letterman. Business Administration major. Delta Sigma Phi fraternity.

LEFT HALFBACK OR TAILBACK (SAFETY ON DEFENSE)

PAUL LESLIE (PAUL) CAMERON—Senior; two-year letterman; played 107 minutes as starting tailback last fall. Was first team NEA Service (Harry Grayson's) All-American, first team on the Paramount News All-American, second team UP All-American, second team Sporting News All-American, honorable mention AP All-American and first team All-Coast for AP, INS and UP. All these honors were won despite the fact that Cameron was hampered considerably virtually all season with ankle and shoulder injuries. Even with the injuries, Cameron, cagily inserted as a spot performer in no less than five contests, still ran, passed and sparked the Bruins to wins over TCU, Washington, Stanford, Wisconsin, California, Oregon State and a near-win in the clash with USC. In the last two seasons Cameron has earned his place as one of America's great tailbacks. He is a true "quadruple threat" back: he runs, passes, punts and calls signals

with the best. He'll operate at safety on defense and showed in spring drills that he will be a fine threat there. As a soph he led the Pacific Coast Conference in total offense and also broke Kenny Washington's all-time UCLA total offense record. He has completed 102 passes for 1403 yards and 18 touchdowns in two years. His biggest individual game to date was against Santa Clara in 1951 when he passed for four touchdowns and ran for two more. Last year he threw for three TD's and set up the field goal in the 24-14 win over Stanford. His injury-riddled statistics for 1952 show that he carried the ball 75 times for a net of 189 yards and one touchdown; he completed 36 out of 96 passes for 518 yards and eight touchdowns; he punted five times for an even 49-yard average per kick. An inspirational performer, he is one of the nation's solidest candidates for All-American honors this fall. Was second team All-CIF performer as tailback at Burbank Hi under Coach Les Bruckner and also played in the 1950 All-American high school classic at Memphis, Tenn. Physical Education major. Kappa Sigma fraternity.

JOHN REVELL (JACK) DAILEY—Soph; numeral winner on the 1952 freshman team; played starting offensive left half last fall. Very inexperienced but shows some promise. All-league halfback at Tustin Hi in 1951 under Coach John Veeh. Business Administration major. Phi Delta Theta fraternity.

PRIMO (DA PREEM) VILLANUEVA — Junior; 1952 varsity squadman; played 36½ minutes at offensive tailback. Last season statistics show he carried the ball 43 times for a net of 117 yards and one touchdown; he completed 12 out of 23 passes for 188 yards and one touchdown. Showed outstanding improvement, especially in the running department, in spring practice. All-Imperial Valley League back at Calexico Hi for three years under Coach Earl "Ace" Parker. Physical Education major.

RIGHT HALFBACK OR WINGBACK (RIGHT HALF ON DEFENSE)

JOHN WILLIAMS (JOHNNY) HERMANN—Soph; 1952 freshman numeral winner; played wingback on offense. Showed some promise but was hampered by injuries in spring drills. Rugby letterman. Was All-City end at San Fernando Hi in 1951 under Coach Al Arps. Physical Education major. Phi Gamma Delta fraternity.

DON WALLACE (DON) STALWICK—Senior; two-year letterman; played 223½ minutes as alternate starter at wingback last fall. His 1952 statistics show that he carried the ball 57 times for a net gain of 212 yards and three touchdowns. He was also one of the top pass-receivers, catching 19 for 348 yards and three touchdowns. He also averaged 19.5 yards on four kick-

off returns. His running and blocking showed fine improvement in spring practice. Has taken well to one platoon system. Now figuring as no worse than an even chance as starter next fall, Stalwick will work with Bill Stits to give the Bruins a great two-man punch at this position—perhaps the best two-man wingback spot in the nation. Three-year letterman. Was All-league back at Wallace, Ida., Hi in 1949 under Coach Bill English. Physical Education major. Phi Gamma Delta fraternity.

WILLIAM DAVID (BILL) STITS—Senior; two-year letterman; played 305 minutes as offensive fullback and defensive halfback and safety last fall, getting in more playing time than any other man on the Bruin team. His 1952 statistics show that he carried the ball 17 times for 36 yards and three touchdowns; he threw two passes, completed none; he caught two passes for 25 yards and one touchdown (against Wisconsin). He also averaged 11.3 yards on 10 punt returns and 20.28 yards on seven kickoff returns. Defensively, it is possible that he was the nation's best defensive halfback as he intercepted eight enemy passes and returned them a grand total of 235 yards and for one touchdown. Those 235 yards were only 10 yards short of the NCAA record. His switch to wingback was an inspiration of Coach Sanders. Stits has been outstanding since the move in spring drills, giving the Bruins the hardest running reverse runner and blocker since Captain Bob Watson in 1950. Take your pick between Stits and Stalwick and you can't go far wrong. Was two-time All-City back in 1948-49 at Narbonne Hi under Coach Sheldon Loughbrough. Physical Education major. Phi Gamma Delta fraternity.

FULLBACK (LEFT HALF ON DEFENSE)

WILLIE CLEVELAND (WILLIE) COLLINS — Junior; transfer from Los Angeles City College; played as a back there in 1951. Ineligible last fall, Collins showed a lot of drive and determination in spring drills. A former student at Texas State University, he performed as a back at Yates Hi, Houston, Tex., under Coach Roger Lights. Physical Education major. Kappa Alpha Psi fraternity.

PETER HEATH (PETE) DAILEY—Senior; two-year letterman; played 95½ minutes last year as offensive wingback and defensive half and safety. Like Stits, a fine all-around back, but has been hampered by injuries and took part in no contact work during spring practice. His 1952 statistics show he carried the ball nine times for 29 net yards and was the team's top scorer with 36 points, divided thusly: two touchdowns, 18 points after touchdown and two field goals. Caught one pass for 33 yards and one of the touchdowns, averaged 11.85 yards on seven punt returns and intercepted two passes which he returned for a total of 36 yards.

Was moved to fullback, where size is not a great necessity in the Sanders single wing attack. Dailey's high school tailback experience fitted him for the multiple spinning fullback duties he'll have this fall. Must figure as top candiate here. Two-year rubgy letterman. Was all-league halfback at Villanova Prep at same time Chuck Doud attended the Ojai school and played under Coach Fred Rice. Marketing major. Zeta Psi fraternity.

BOB (BOB) DAVENPORT—Sophomore; was outstanding back at Long Beach Jordan Hi under Coach Bob Parke in 1951. Is a fine fullback prospect and showed outstanding up-the-middle running ability during spring practice, though needs plenty of work on spinners. Recreation major. Phi Delta Theta fraternity.

GEORGE (GEORGE) STEPHENSON—Soph; was second string All-CIF back in 1951 at San Diego Hoover Hi under Coach Bob Kirchoff. He was a teammate of Gil Moreno's in the 1952 All-American prep classic at Memphis, Tenn. Showed determination and improvement in spring drills. Physical Education major. Delta Tau Delta fraternity.
